KEY VERSE: Heb 11:1

Now faith is confidence in what we hope for and assurance about what we do not see. (Heb 11:1, NIV)

BACKGROUND ...

Faith! Hope! Future events! We all hope for things that have not yet happened. The question is, how do we connect with the objects of our hope? For some people, if they can't see it, it just isn't real. It doesn't exist. Those people have no faith. Faith always connects with hope, and hope connects with things that are yet to occur. The miracle of faith is that it enables us to enjoy a future blessing right now (Heb 11:20). While this is hard to understand, it's worth the reflection! What you'll

discover is that, while we await the return of our Lord, the Kingdom of God is already at hand! You can be part of His Kingdom right now and enjoy the blessings too! You don't have to wait. You only need faith! You have to ride the Holy Highway (Isa 35:8) with confidence! Let's talk!
