KEY VERSE: Prov 18:22

*He who finds a wife finds what is good and receives favor from the Lord.*  
(Prov 18:22, NIV)

BACKGROUND ...

In this verse, God connects *finding a wife* with *finding something that is good*. He goes on to say that a man who has found a wife has also found favor with God. In other words, not only does he have a wife, but he also has God's blessings! Not every man who reads this will agree. In fact, if you asked Adam, there was a time he probably would have disagreed too. He never got into trouble until Eve was on the scene. Yet God, in His infinite wisdom, chose for the two of them to remain together

until death separated them. God knew that it was worse for Adam to be alone than it was for Adam to have a wife who was less than perfect. God knew that Adam's wife would be a greater blessing to him than being alone would be. Even if you're not married, you can benefit from this discussion. As you talk and pray about this topic, you will discover that "oneness" is an important key to discipleship. Let's talk the talk!
